Dear Sir,

I am desired to invite reference to the Demi-official letter dated the 1st October 1923 from the Second Member of Council addressed to you in which some suggestions were made to you with regard to the preparation of the Arthasadhakapatrika and to state that Government regret to observe that the advice conveyed therein has not been heeded and that apart from the matter of the journal, there has been no improvement whatever even in the regular issue of publications, the latest issue of the journal received being the issue for December 1923 and that in the circumstances, Government have to seriously consider the question of withdrawing the subvention sanctioned to you in Government Order dated the 18th October 1922.

I am however to state that before passing final orders Government would like to have your explanation as to why the agreement made with you should not be cancelled in view of the fact that there has no issue of the journal since December last and there has been a distinct violation of the contract. I am to request that your explanation may be sent within a fortnight.

Yours sincerely,

Sd. B. Nagappa
